

## Roccascossa

### Terre Margaritelli

The Margaritelli family has cultivated this Umbrian land between Perugia and Assisi since 1870, with a focus on its vineyards since 1950. This small organic estate makes one of the oldest Italian appellations, Torgiano Rosso Riserva. A close tie to forests in Bertrange, France and the willingness to continually develop a project that is self-sustaining and innovative yet true to tradition, makes this story unique.

## Description

Its intense ruby red color, persistent aroma, and balanced fruity taste make Roccascossa the best example of the colors, aromas, atmosphere and character of this healthy fertile land, always synonymous with purity, authenticity and excellence
