

Gfill Sauvignon

St. Pauls

This alpine cooperative was founded in 1907 in Eppan, or Appiano. From its humble beginnings around the “Cathedral in the Countryside”, it has grown to over 150 members focused on the sustainable viticulture of indigenous grapes.

Still

White

Trentino Alto Adige

Alto Adige DOC

2017

Sauvignon Blanc

Aging

slow fermentation at controlled temperature in stainless steel followed by maturation on fine yeast for 5-7 months, no malolactic fermentation

Description

This noble wine grows on sandy morainic soils and owes its characteristic taste to the ideal microclimate of our high-level vineyards. This produces a strong, fully ripe Sauvignon tasting of elder and exotic fruits, with a convincingly dry, classy taste
