

Cretum Rosato

Poggio Bonelli

Poggio Bonelli is located in the southern part of the Chianti Classico region, near Siena. They are focused on the production of Sangiovese and award-winning Supertuscan varieties, but what makes them truly special is the perfect combination of sustainable agriculture, authentic and straightforward style, and the best practices in the vineyards and cellars.

Description

The interpretation of a particular and innovative expression of Siena's and its Tuscan terroir. This rosé is the result of a soft press of Sangiovese vinified in white, skins are never in touch with the fermenting must
