

Masca Maremma Toscana

Roccapesta

In 2003, Alberto Tanzini and his brother bought the Roccapesta estate in southern Tuscany that contained the over 40 year-old vineyards that are supplying much of their wines' grapes today. With the utmost respect for terroir, the environment and tradition, the almost 20 hectares has been converted to a sustainable winery producing award winning Morellino di Scansano.

Maremma Toscana
DOC

2013

80% sangiovese, 10%
syrah, 10% petit
verdot

Aging

8 months, partly in cement tanks and partly in the bottle. The Syrah and Petit Verdot spend 12 months in 500 l and 600 l oak barrels

Description

Sangiovese enhanced with small plantings of international varieties Syrah and Pertit Verdot, for a floral bouquet, fruity palate, and a pleasant savory finish.
