

Barbaresco

Azienda Agricola Cecilia Monte

This tiny 2 hectare estate in Serracapelli dedicates half of its vineyard to growing Nebbiolo grapes for its world class Barbaresco. Sitting on the northern border of the Barbaresco appellation, here you will find a territory rich in untouched natural biodiversity that represents the heart and heritage of its winery.

Nebbiolo

Aging

Refining in French oak wood for 12 months

Description

The wine that comes from this vineyard is always elegant and its color is typical and traditional of the Nebbiolo grape. Tannins are pretty robust and need a long time in the bottle to become round, that's the reason why this Barbaresco normally comes out on the market two years later than normal
